Katsura Campus

Kyoto University Katsura Campus Discovery Map

1 Katsura Monument

The Katsura campus symbol tower - erected as a monument to the cutting edge of early 21st century science and technology, the column measures 31m in height, and is 2m wide. Built of a durable precast concrete comparable to steel, the structure supports 4 clocks - identical in design to those of the Yoshida Campus Clock Tower - with 4 blue, red and green LED display screens measuring 8mH x 2mW below.

2 Large display screen

Used as a notice board for events such as symposiums and open lectures, the screen measures 4.8mH x 6.4mW.

3 Katsura Int'tech Center

This is a center for researchers to conglomerate from a wide range of different specializations and tackle leading edge engineering issues.

4 Funai Tetsuro Auditorium

Meeting rooms of all sizes surround the main auditorium with a capacity for 500. An exhibit of Nobel and Fields Medal laureates is available for viewing.

5 Funai Center

Visitors to the Katsura Salon enjoy an excellent view of central Kyoto. Other facilities include research labs, an athletic room (gymnasium) and training room.

6 Promenade

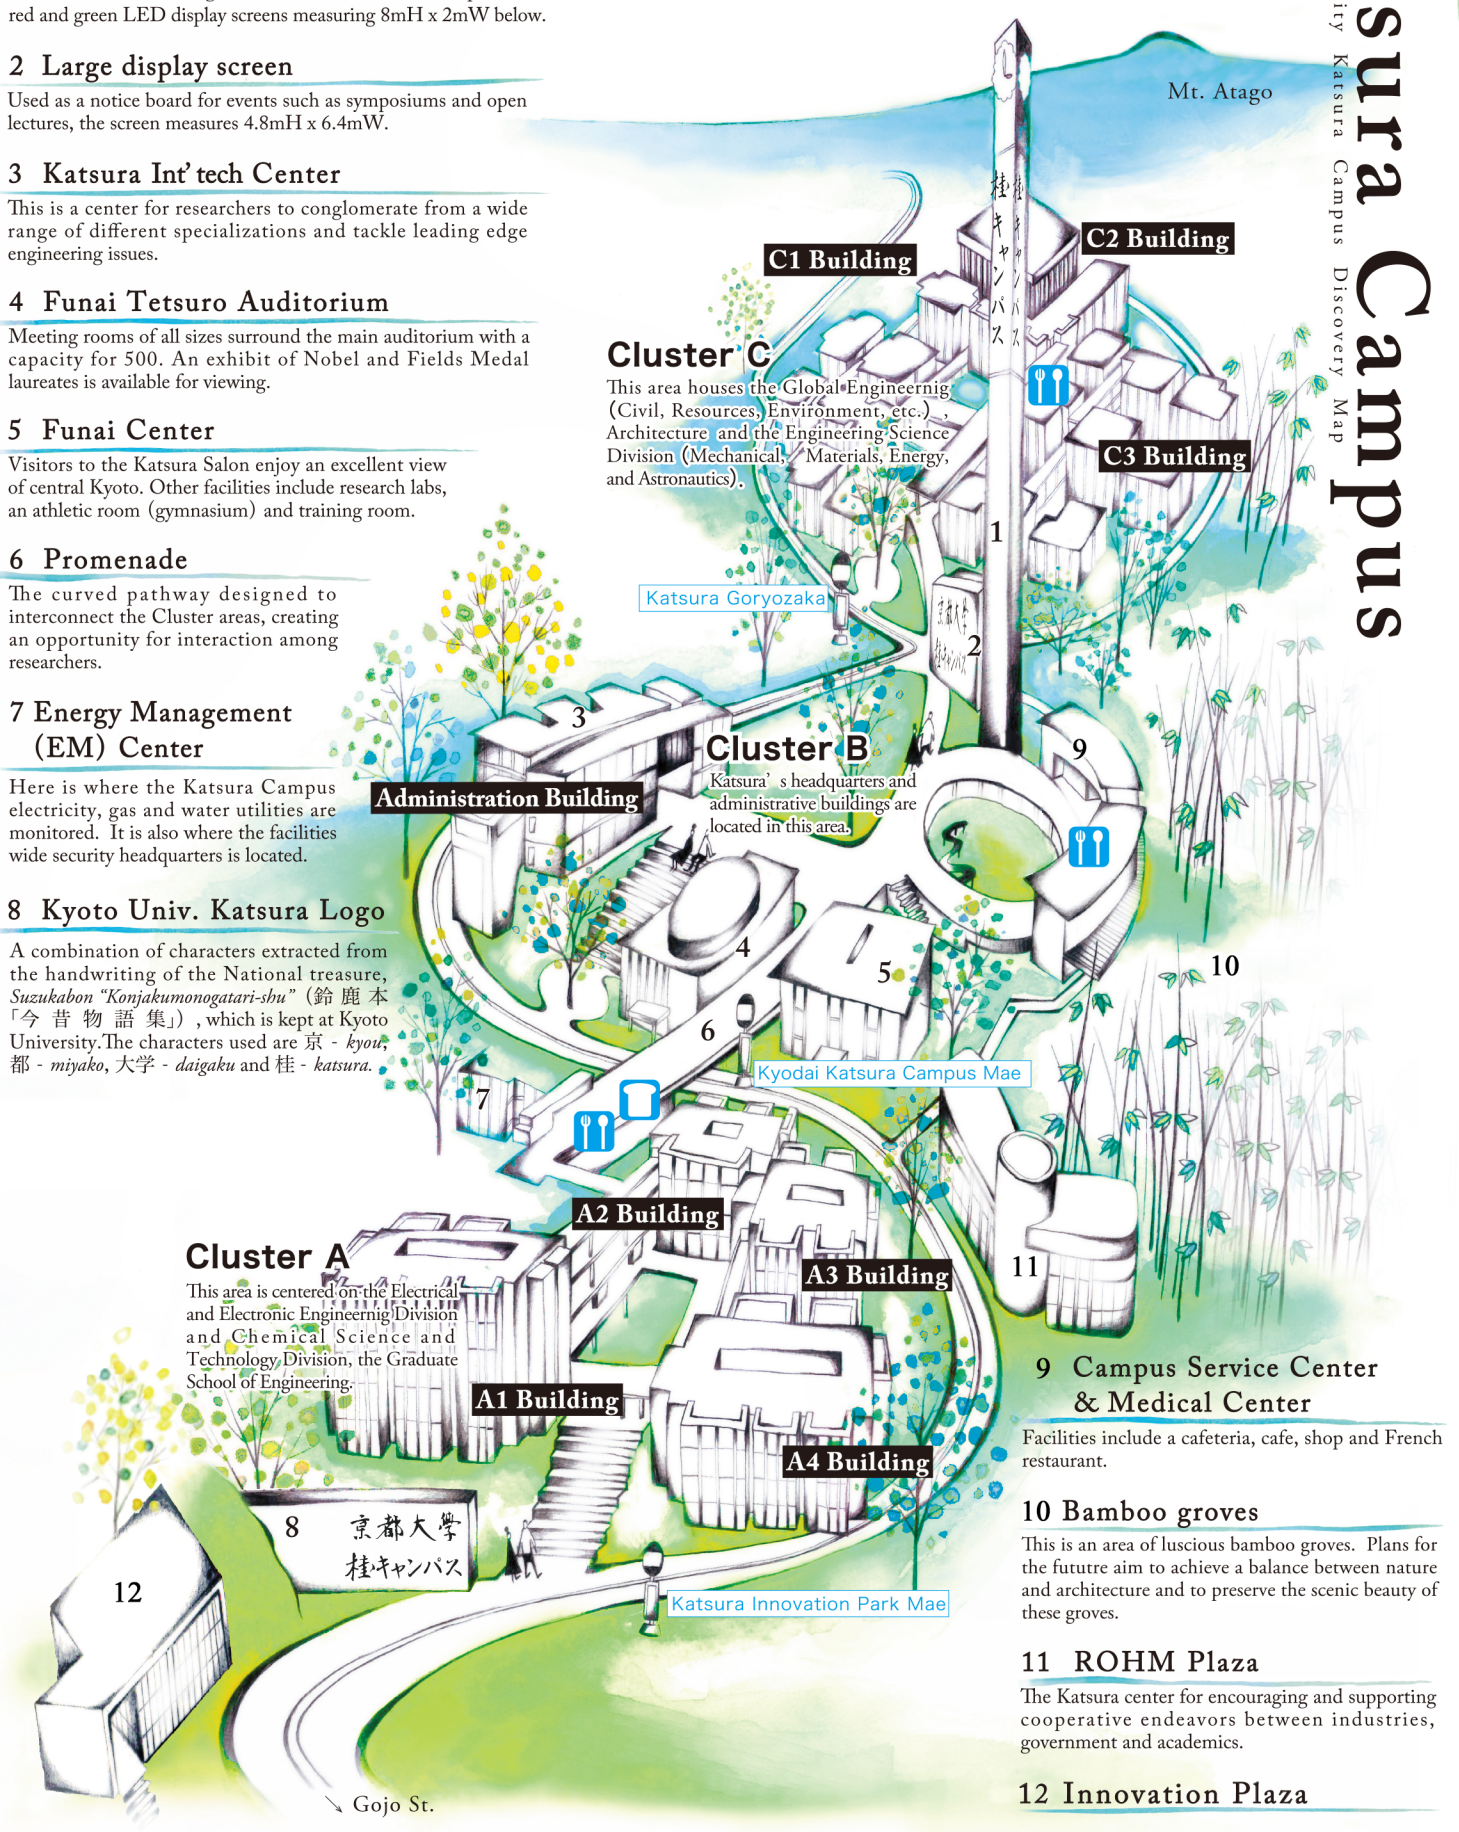
The curved pathway designed to interconnect the Cluster areas, creating an opportunity for interaction among researchers.

7 Energy Management (EM) Center

Here is where the Katsura Campus electricity, gas and water utilities are monitored. It is also where the facilities wide security headquarters is located.

8 Kyoto Univ. Katsura Logo

A combination of characters extracted from the handwriting of the National treasure, *Suzukabon "Konjakumonogatari-shu"* (鈴鹿本「今昔物語集」), which is kept at Kyoto University.The characters used are 京 - *kyou*, 都 - *miyako*, 大学 - *daigaku* and 桂 - *katsura*.



9 Campus Service Center & Medical Center

Facilities include a cafeteria, cafe, shop and French restaurant.

10 Bamboo groves

This is an area of luscious bamboo groves. Plans for the fututre aim to achieve a balance between nature and architecture and to preserve the scenic beauty of these groves.

11 ROHM Plaza

The Katsura center for encouraging and supporting cooperative endeavors between industries, government and academics.

12 Innovation Plaza
