Regarding how to receive your Ph.D. diploma

As a rule, the Ph.D. diploma is supposed to be received at the Graduate Student Section of the B cluster office in person after the conferment date, but for those who cannot come here due to any circumstances, we can send their diplomas by Letter-pack plus※, so if you'd like it, please prepare a self-addressed Letter pack-plus or buy postage stamps for 520 yen, and send (bring) to our office beforehand. We will send your diploma on the Ph.D. conferment date.
