

About Katsura Library

Katsura Library opened in April 2020, as an Area-Focus Hub Library with a university-wide functionality.

In addition to the existing functionalities, Katsura Library focuses on research support, especially for graduate students and researchers.

With diverse facilities, we encourage students to engage in intellectual activities and will offer new places in order to promote collaboration with researchers. Also, we promote support services which are necessary for each phase of research activity cycle.

Katsura Library, Kyoto University

Borrowing/Return/Renewals

	Faculty	Students · Staff
Open-shelf books	5 volumes/2 weeks	
Stack books	30volumes/3months	10volumes/1month
Journals and Reference Books	Must be returned on the same day	

- Please check out and return books at the Information Desk or by the automatic check-out machine.
- When the library is closed, please use the book drop in front of the library.
- Book renewals can be made online through the MyKULINE services.
- To borrow books, you need your student ID card/Authentication IC Card, or Library card.

KULINE (OPAC) : KU Libraries Catalog

Books, periodicals, E-books, and E-journals held in the KU Libraries can be found through KULINE. It is also possible to place holds on books not on loan and reserve books currently borrowed by other users.

Request Books from Other Campus

It is possible to request books or partial photocopies you need from another campus. If material you need is not held by KU libraries, you can request interlibrary loan and borrow it from other institution through KULINE. (with charge※)

※In case of private expense, please apply for Kyoto University Library.

Copying Documents in the Library

Photocopying at the library is subjected to the Copyright Act.

Please fill in the “Document Reproduction Application” form placed near the photocopiers and put it in the submission box before copying documents.

You can copy at both public and private expense.

Electronic Resources

To Access to e-resources, settings of the authentication system are required.

With the authentication system, you can use the system not only on campus, but also from off-campus environments such as home.

All publishers prohibit the following actions:

- Downloading of huge amount of contents beyond the private usage
 - ✓ Especially, systematic and programmatic download
- Usage beyond the private purpose
- Reproducing and distributing

Violation of the license equals to the breach of the agreement with providers, and this may result in the suspension of use of the whole university. Be sure to follow the regulation.
